

## ***The NZ Postgraduate Students' Association Conference.***

NZFGW Wellington Branch was asked to be a sponsor of the 2009 NZ Postgraduate Conference held at Victoria University on 20-21 November. In return we were able to organise a publicity booth at the conference with a view to attracting new members and spreading awareness of NZFGW and its work. Sponsorship benefits included mention on the Conference website and on the programme material. The NZFGW banner was on display at the NZFGW booth and Rae Duff produced some striking display material which set out

information on NZFGW. There was also a supply of pamphlets, *Graduate Women*, and other take-away information.

During the two days the booth was staffed by Rae Duff, Heather Forbes, Sylvia Findlay Rawle, Sally Hasell, Judy Whitcombe and Ann Pomeroy. They reported considerable interest from the conference attendees. The pamphlets contained membership forms and over 60 of these were taken. We have already had some responses.
